

## Just started Confirmation Group

Explore whole idea of faith – who or what is God, what does God mean for me

This Sunday, 2<sup>nd</sup> before Lent, theme of creation.

God as creator – lesson from Genesis – pictures on screen.

After – Burrow song ‘Our God is a great big God’

‘He’s wider than the Universe and beyond .....

Does n’t stop there:

‘He’s known me and he’s loved me .....

God who creates not indifferent to us – knows, loves and cares

This is where our Gospel reading came in:

Don’t worry about what you eat..... Your heavenly father knows

A God who creates – who knows, who listens, who understands

This is brought together in this quote by Albert Einstein ..... one of the all time giants of the scientific world.

**I want to know how God created this world. I'm not interested in this or that phenomenon, in the spectrum of this or that element. I want to know His thoughts, the rest are details.**

If you want to know something, if you want to know somebody – you have to watch, you have to listen.

That's why I like that drama we just had of the Lord's Prayer  
The God who creates – a God who listens, who understands us, who speaks and inspires us.

That is a God who is real – that is the God we are trying to get to know better in our journey towards Confirmation.
